A couple of things from Headstart here.

We will be unable to use the Post Grad Centre in Medway hospital for the foreseeable future.

Hopefully we will be back there for our September event in 2020.

Headstart will keep you well informed when it will be.

The other thing is the replacement venue for us.

Jayne Goddard has asked Genesis Care where she now works if *Headstart* could use one of their rooms and they have kindly agreed to do so.

It is very well equipped she says and all should be fine.

Genesis Care is situated at 17 Kings Hill Avenue, Kings Hill,
West Malling, ME19 4UA

Headstart would very much like to thank them for their extremely kind gesture.

As usual, we look forward to seeing you there.

Ron
